RE: Armstrong Telecommunications, Inc.

Dear Mr. Kirtley:

On behalf of Armstrong Telecommunications, Inc., enclosed are revised pages to its PSC Tariff No. 3. There is one revision being made with this filing.

This revision is to modify language to incorporate a rule change of the Federal Communications Commission as found in its April 25, 2012 Second Order on Reconsideration in WC Docket No. 10-90 and other dockets. The Order allows originating toll VoIP-PSTN traffic to be billed at intrastate switched access rates from July 13, 2012 through June 30, 2014. An effective date of July 13, 2012 is requested.

.

The following tariff pages are included:

Section	Page No.	Revision
Check Sheet	1	Third
2	2-13.1	First

An original plus twelve copies are being filed. If there are any questions, I can be reached at 704.782.7738 or 704.699.9451 (cell).

Sincerely,

Jerry Weikle
