O R D E R

On October 12, 2026, Complainant Lemar Collier tendered for filing a complaint against Louisville Gas and Electric Company (LG&E) for unredacted system transaction histories, supervisor entries, and account notes from September 21, 2026, through September 24, 2026.[1]

On October 13, 2026, Mr. Collier filed a Motion for Production of Native Records and Account Audit Logs, and signed as Lemar-Nathaniel: Coller, Chief Trustee, *Suis Juris*, Authorized Representative for The Blue Topaz Private Holding Trust.[2]

On October 22, 2026, Mr. Collier filed a Motion for Entry of Default Judgement claiming LG&E had failed to file an answer or responsive pleading within the 10-day statutory window assigned under 807 KAR 5:001.[3]

On October 26, 2026, Mr. Collier filed a Notice of Emergency Interruption of Material Capacity and Interference with Regulatory Adjudication, claiming his vehicle had been repossessed.[4]

On October 29, 2026, Mr. Collier filed a Mandatory Open Records Demand requesting all Informal Consumer Inquiry Logs, all native interaction text logs and employee access history entries tied to his profile, and all internal or external emails, memoranda, and inter-agency communications exchanged between PSC staff, supervisors, and executive directors regarding PSC Case No. 2026-000304.[5]

LEGAL STANDARD

Commission regulation 807 KAR 5:001, Section 20(1)(c), requires each complaint to state:

> (c) Fully, clearly, and with reasonable certainty, the act or omission, of which complaint is made, with a reference, if

[4] Lemar Collier Notice of Emergency Interruption of Material Capacity and Interference with Regularity Adjudication (filed Oct. 26, 2026).

[5] Lemar Collier Mandatory Public Records Demand (filed Oct. 30, 2026).

[7] Lemar Collier Supplemental Information (filed Nov. 4, 2026).

> practicable, to the law, order, or administrative regulation, of which a failure to comply is alleged, and other matters, or facts, if any, as necessary to acquaint the commission fully with the details of the alleged failure[.][8]

Furthermore, 807 KAR 5:001, Section 20(4)(a), requires the Commission to examine the complaint to ascertain if the complaint establishes a *prima facie* case that conform to this administrative regulation.[9] A complaint establishes a *prima facie* case when, on its face, it states sufficient allegations that, if uncontradicted by other evidence, would entitle the complainant to the requested relief. If a complaint fails to establish a *prima facie* case, it may be dismissed. Stated plainly, to be accepted by the Commission, complaints must meet both the requirements of 807 KAR 5:001, Section 20(1)(c), establish a *prima facie* case according to 807 KAR 5:001, Section 20(4)(a).

In administrative settings, both redressability and injury are limited by the jurisdictional authority given to agencies by the legislature. The Commission's jurisdiction is established in KRS 278.040(2) and states that the Commission has "exclusive jurisdiction over the regulation of rates and service of utilities."[10] While expansive in scope with regards to ensuring "fair, just and reasonable"[11] service, the Commission's authority is not limitless.

Pursuant to KRS 278.260, the Commission has jurisdiction over complaints regarding rates or service, which states:

---

[8] 807 KAR 5:001, Section 20(1)(c).

[9] 807 KAR 5:001, Section 20(4)(a).

[10] Indeed, the Commission's authority regarding ratemaking is both "plenary" and broad. *See e.g. Kentucky Public Service Com'n v. Com. ex rel. Conway*, 324 S.W.3d 373 (Ky. 2010).

[11] KRS 278.040.

> [t]he commission shall have original jurisdiction over complaints as to rates or service of any utility, and upon a complaint in writing made against any utility by any person that any rate which the complainant is directly interested is unreasonable or unjustly discriminatory, or that any regulation, measurement, practice or act affecting or relating to the service of the utility or any service in connection therewith is unreasonable, unsafe, insufficient, or unjustly discriminatory, or that any service is inadequate or cannot be obtained.[12]

As KRS 278.260 makes clear, complaints must be related, in some causal way, to the Commission's jurisdiction over rates and service.

DISCUSSION AND FINDINGS

Mr. Collier's complaint fails to establish a *prima facie* case as it does not state fully, clearly and with reasonable certainty, an act or omission by LG&E for which he would be entitled to relief that can be provided by the Commission. Nor does Mr. Collier currently allege a violation of a regulation, Commission Order, tariff or statute by LG&E that would entitle him to relief from the Commission.

Based on the information in the record, Commission finds that Mr. Collier's complaint fails to comply with the requirements of 807 KAR 5:001, Section 20(1)(c), by failing to establish a *prima facie* case that the utility has violated a statute, regulation, tariff, or order for which the Commission may grant relief. In addition, the Commission finds that the motions filed by Mr. Collier on October 13, 2026, October 22, 2026, and November 2, 2026, are premature and should be held in abeyance at least until such time as a *prima facie* case is established.

[12] KRS 278.206.

In accordance with 807 KAR 5:001, Section 20(4)(a)(1), the Commission finds that Mr. Collier should be granted 20 days from the service date of this Order to amend this complaint with the Commission. The amended complaint must meet the requirements of 807 KAR 5:001, Section 20(1)(c), and state a *prima facie* case complying with 807 KAR 5:001, Section 20(4)(a).

All future filings made in this matter should be submitted through the U.S. Postal Service or by email at PSCED@ky.gov. Failure to file a properly filed timely amended complaint in this case should result in dismissal. This Order should be served through the U.S. Postal Service, Certified Mail, Return Receipt Requested, and First-Class Mail upon Mr. Collier at the address listed in the complaint.

IT IS THEREFORE ORDERED that:

1. The complaint filed by Lemar Collier failed to establish a *prima facie* case as required by 807 KAR 5:001, Section 20(4)(a).

2. The motions filed by Lemar Collier on October 13, 2026, October 22, 2026, and November 2, 2026, shall be held in abeyance.

3. Lemar Collier shall have 20 days from the date of service of this Order to file an amended complaint with the Commission that conforms to the requirements of 807 KAR 5:001, Section 4(4), Section 20(1), and that states a *prima facie* case.

4. Failure to file a properly filed timely amended complaint in this case, which establishes a *prima facie* case in compliance with 807 KAR 5:001, Section 20, shall result in dismissal.

5. The amended complaint may be filed with the Commission by U.S. Postal Service mail to 211 Sower Boulevard, Frankfort, Kentucky 40601, or by email to

PSCED@ky.gov. Case number 2026-00304 shall be included in all filings with the Commission.

6. A copy of this Order shall be served on Mr. Lemar Collier, by U.S. Postal Service, Certified Mail, Return Receipt Requested, and First-Class Mail at 2605 Thomas Avenue, Louisville, Kentucky 40216. Service shall be considered complete on the first day the U.S. Postal Service attempts delivery of the certified mail.
