WikiLeaks reveals Chinese Control over U.S. supply...

Known as the Critical Foreign Dependencies Initiative by the U.S. Department of Homeland Security, this precious mineral was leaked as key to American interests. The U.S. military will increasingly rely on it for power as they lessen their dependence on petroleum fuel.

The single greatest testimony to this mineral's importance is that China controls 75% of global supply. U.S. mining co's are scrambling to find resources. We found one company with an est.

WikiLeaks reveals Chinese Control over U.S. supply...

Known as the Critical Foreign Dependencies Initiative by the U.S. Department of Homeland Security, this precious mineral was leaked as key to American interests. The U.S. military will increasingly rely on it for power as they lessen their dependence on petroleum fuel.

The single greatest testimony to this mineral's importance is that China controls 75% of global supply. U.S. mining co's are scrambling to find resources. We found one company with an est.
