COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC ALLEGED FAILURE OF LYON COUNTY WATER DISTRICT AND ITS INDIVIDUAL COMMISSIONERS WILLIAM ASHER AND CHARLES MURPHY, AND SUPERINTENDENT, WILLIAM ASHER, TO COMPLY WITH KRS 278.230, 807 KAR 5:006, SEC. 4(2), AND KRS 278.990	)	CASE NO. 2021-00343

RESPONSE OF SUPERINTENDENT WILLIAM ASHER

Comes now William Asher, by counsel, and for his response to the above styled case states as follows:

My memory is that I was employed as Superintendent of the Lyon County Water District from July, 2020 through August 31, 2021.

The water statistics, available to me, that were requested by Elaina Bond were reported to her on August 31, 2021. Ms Bond told me that as long as the water statistics were reported to her by September 1, 2021 that would be okay.

Mr. Asher states he was informed by Dixie Cayce, the former District Superintendent, that he did not have to file any quarterly meter reports upon his employment because there was a total system change out just before Mr. Asher's employment as Superintendent.

Mr. Asher further states all the information he had, or had available to him, was provided to the District by August 31, 2021.

VERIFICATION

WILLIAM ASHER, states that he previously was Superintendent of the Lyon County Water District, that he has read the response, and that the statements contained therein are true and accurate to the best of his knowledge, information and belief formed after reasonable inquiry.
