Re: *Electronic Joint Application of Louisville Gas and Electric Company, Meade County Rural Electric Cooperative Corporation, and Big Rivers Electric Corporation for (1) Approval of an Agreement Modifying an Existing Territorial Boundary Map and (2) Establishing Meade County Rural Electric Cooperative Corporation as the Retail Electric Supplier for Nucor Corporation's Proposed Steel Plate Mill in ButterMilk Falls Industrial Park in Meade County, Kentucky*.- Case No. 2019-00370

Dear Mr. Chandler:

It has come to our attention that there was an unintentional issue with the public versions of:

(1) Big Rivers' and Meade County RECC's Responses to Commission Staff's Initial Request for Information dated November 7, 2019, originally filed November 18, 2019; and

(2) Big Rivers' and Meade County RECC's Responses to Commission Staff's Second Request for Information dated December 19, 2019, originally filed December 30, 2019,

which resulted in the incomplete redaction of confidential information. The file, "Item_2b-Attachment" that was filed with Big Rivers' and Meade County RECC's Responses to Commission Staff's Second Request for Information dated December 19, 2019, on December 30, 2019, did not contain confidential information and so there was no issue with this file. Therefore, Big Rivers is not electronically filing a second copy of this file.

The formatting issue has been addressed and Big Rivers is electronically filing with this letter:

(1) Big Rivers' and Meade County RECC's Reformatted Responses to Commission Staff's Initial Request for Information dated November 7, 2019; and

(2) Big Rivers' and Meade County RECC's Reformatted Responses to Commission Second Staff's Request for Information dated December 19, 2019.

Consequently, we respectfully request that the public version of the filing be removed from the public record and replaced with this filing of the reformatted file. No party to this matter will be prejudiced by this request.

The undersigned certifies that one paper copy of this electronic filing will be filed with the Public Service Commission within 30 days of the Governor lifting the current state of emergency pursuant to the Commission's Orders in Case No. 2020-00085; that the materials in the electronic filing are a true representation of the materials in paper medium; and that the electronic version of the paper filing is a true and accurate copy of each paper filed in paper medium. There are no parties that the Commission has excused from electronic filing procedures.

Thank you, and please feel free to contact me if you have any questions with regard to this filing.

Sincerely yours,

/s/ Tyson Kamuf
