Alarm History
Midwest Water Operations - Kentucky
1 Jan 2022 - 31 Dec 2022

Date/Time	Site Name	Event
1 Jan 2022 11:59:27 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Jan 2022 04:58:33 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Jan 2022 05:58:34 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Jan 2022 06:58:35 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Jan 2022 08:41:06 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Jan 2022 09:41:36 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Jan 2022 10:41:36 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Jan 2022 11:41:37 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
3 Jan 2022 12:41:39 AM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
3 Jan 2022 01:41:39 AM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
12 Jan 2022 02:13:58 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
22 Jan 2022 09:15:16 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
23 Jan 2022 05:56:39 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
25 Jan 2022 04:45:23 AM	Randview Wastewater	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
26 Jan 2022 06:57:24 PM	Randview Wastewater	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
29 Jan 2022 03:20:31 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
3 Feb 2022 02:09:19 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Feb 2022 12:55:24 PM	Randview Wastewater	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Feb 2022 07:11:15 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Feb 2022 11:49:14 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
10 Feb 2022 08:21:15 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
11 Feb 2022 05:39:28 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
11 Feb 2022 08:03:24 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
15 Feb 2022 01:50:31 AM	Randview Wastewater	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
19 Feb 2022 11:20:01 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
19 Feb 2022 12:27:47 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
20 Feb 2022 05:39:10 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
20 Feb 2022 11:23:51 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
21 Feb 2022 02:17:55 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
21 Feb 2022 03:49:36 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
21 Feb 2022 11:37:07 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
21 Feb 2022 01:37:14 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
21 Feb 2022 06:53:50 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
21 Feb 2022 08:52:58 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
22 Feb 2022 12:50:08 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
22 Feb 2022 02:43:50 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
22 Feb 2022 02:29:54 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
22 Feb 2022 08:19:41 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
24 Feb 2022 12:53:44 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
24 Feb 2022 01:56:09 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
24 Feb 2022 03:04:18 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
25 Feb 2022 09:23:29 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
26 Feb 2022 06:23:35 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
26 Feb 2022 12:46:11 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
26 Feb 2022 02:32:14 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
27 Feb 2022 09:29:32 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
27 Feb 2022 11:35:31 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
27 Feb 2022 03:08:22 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
28 Feb 2022 02:24:07 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
28 Feb 2022 06:23:52 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
28 Feb 2022 09:17:05 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
1 Mar 2022 10:15:38 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
1 Mar 2022 01:12:24 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
1 Mar 2022 03:51:57 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
1 Mar 2022 04:43:56 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
1 Mar 2022 08:58:17 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Mar 2022 11:50:02 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Mar 2022 02:22:14 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Mar 2022 05:59:42 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
2 Mar 2022 06:53:56 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
3 Mar 2022 05:55:53 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
3 Mar 2022 08:35:45 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
3 Mar 2022 03:45:16 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
4 Mar 2022 04:17:12 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
4 Mar 2022 05:51:32 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
4 Mar 2022 04:46:35 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 12:55:45 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 04:57:30 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 10:45:51 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 11:39:08 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 02:25:17 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 03:51:32 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 04:48:36 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 05:56:02 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
5 Mar 2022 07:43:35 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 12:23:28 AM	Bluegrass - Lake Columbia	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 01:24:04 AM	Bluegrass - Lake Columbia	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 02:24:04 AM	Bluegrass - Lake Columbia	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 03:24:05 AM	Bluegrass - Lake Columbia	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 04:24:06 AM	Bluegrass - Lake Columbia	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 05:24:06 AM	Bluegrass - Lake Columbia	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line

6 Mar 2022 05:35:44 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 11:41:11 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 03:58:28 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
6 Mar 2022 11:28:13 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
7 Mar 2022 01:37:08 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
7 Mar 2022 10:07:50 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
7 Mar 2022 12:57:55 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
7 Mar 2022 04:23:31 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
7 Mar 2022 07:50:07 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 01:41:14 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 03:07:38 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 04:47:56 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 05:22:35 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 06:23:27 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 06:47:28 PM	Randview Wastewater	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 07:23:29 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 08:23:29 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 09:23:30 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
8 Mar 2022 10:23:31 PM	Bluegrass - RiverBluff Farms	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
9 Mar 2022 11:11:40 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
9 Mar 2022 11:49:25 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
10 Mar 2022 12:29:40 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
10 Mar 2022 05:27:54 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
11 Mar 2022 03:53:32 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
11 Mar 2022 06:25:15 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
12 Mar 2022 02:05:44 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
12 Mar 2022 02:43:53 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
12 Mar 2022 03:59:46 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
12 Mar 2022 11:23:43 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
12 Mar 2022 01:31:49 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
12 Mar 2022 09:23:49 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
13 Mar 2022 06:19:43 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
13 Mar 2022 12:31:39 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
13 Mar 2022 01:59:24 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
13 Mar 2022 05:31:49 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
13 Mar 2022 06:53:15 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
13 Mar 2022 09:07:22 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 04:30:11 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 06:29:35 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 07:12:34 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 07:33:36 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 09:20:31 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 11:58:32 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 03:27:22 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 03:58:00 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 05:32:54 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 06:47:24 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
14 Mar 2022 11:13:43 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
15 Mar 2022 12:24:01 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
15 Mar 2022 07:03:27 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
15 Mar 2022 03:33:15 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
15 Mar 2022 07:47:52 PM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
16 Mar 2022 03:43:37 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
16 Mar 2022 05:27:49 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
16 Mar 2022 07:05:12 AM	Bluegrass - Kingwood	There is a communications fault. There will be no alarms or remote control from this unit until it returns on line
