Mike, Please use this version. Made a few minor edits to the Gas Supply section.

Thanks,
Mark

Good Afternoon Mike,

Please see attached Gas Operations Narrative for the 12/22/22 - 12/25/22 Operating Period. Let me know if this is what you need to be able to include a couple paragraphs for the narrative that will go to Vince or let me know if anything else is needed.

Thanks,
Mark
