Dear Mr. Dorman:

As the records coordinator for the Division of Water, I am responding to your Open Records Request dated May 16, 2001, 2001, on the above-referenced facility. We are gathering the requested information. As soon as all documents are ready for review, I will call you to make arrangements for a file review.

The following records will be exempt from an Open Records Request under KRS 61.878:

1. Records of law enforcement agencies or agencies involved in administrative adjudication that were compiled in the process of detecting and investigating statutory or regulatory violations, if the disclosure of the information would harm the agency (KRS 61.878(1)(g)).

2. Preliminary drafts, notes and correspondence with private individuals other than correspondence which is intended to give notice of final action of a public agency (KRS 61.878(1)(h)).

3. Preliminary recommendations and preliminary memoranda in which opinions are expressed or policies are formulated or recommended (KRS 61.878(1)(j)).

4. All public records or information the disclosure of which is otherwise prohibited by federal law or regulation, and public records or information the disclosure of which is prohibited or restricted or otherwise made confidential by an enactment of the General Assembly (KRS 61.878(1)(j & k)).

If you have any questions or need any additional information please feel free to call me at (502) 564-2225 ext. 522.

Sincerely,

Anita Young
