UTILITY-NONUTILITY ASSET TRANSFER AGREEMENT

This **Utility-Nonutility Asset Transfer Agreement** (this "Agreement") is made and entered into as of January 1, 2009 (the "Effective Date") by and among Duke Energy Kentucky, Inc., a Kentucky corporation ("Operating Company"), and the respective associate nonutility companies listed on the signature pages hereto (each, a "Nonutility Company").

WITNESSETH:

WHEREAS, Duke Energy Corporation ("Duke Energy") is a Delaware corporation;

WHEREAS, Operating Company is a subsidiary of Duke Energy and a public utility company;

WHEREAS, each Nonutility Company is a subsidiary of Duke Energy that is or was formed to engage in any one or more non-regulated businesses;

WHEREAS, in the ordinary course of its business, the Operating Company maintains inventory and/or other assets for the operation and maintenance of its electric utility business; and

WHEREAS, each Nonutility Company in the ordinary course of its business maintains inventory and/or other assets for the operation and maintenance of its non-regulated business; and

WHEREAS, subject to the terms and conditions herein set forth, and taking into consideration the Operating Company's utility responsibilities, the Operating Company is willing, upon request from time to time, to transfer Assets, as defined herein, to each Nonutility Company, and each Nonutility Company is willing, upon request from time to time, to transfer Assets, as defined herein, to the Operating Company, as each shall request from each other.

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, the parties agree as follows:

ARTICLE 1. TRANSFER OF ASSETS

Section 1.1 Transfer. Upon request from one party ("Recipient"), the other party ("Transferor") shall transfer (the "Transfer") to the Recipient those Assets requested by Recipient, provided that (i) Transferor believes, in its reasonable judgment, that such Transfer will not jeopardize Transferor's ability to (a) in the case of the Operating Company, render electric utility service to its customers consistent with Good Utility Practice, and (b) in the case of a Nonutility Company, conduct its business affairs consistent with reasonable business practices; (ii) the Cost of any shipment of transmission- or generation-related item(s) does not exceed $10,000,000; and (iii) Operating Company shall not transfer any Asset hereunder in contravention of KRS 278.218. "Assets" means parts inventory, capital spares, equipment and

other goods except for the following: coal; natural gas; fuel oil used for electric power generation; emission allowances; and environmental control reagents. "Good Utility Practice" means any of the practices, methods and acts engaged in or approved by a significant portion of the electric utility industry in the United States during the relevant time period, or any of the practices, methods and acts which, in the exercise of reasonable judgment in light of the facts known at the time the decision was made, could have been expected to accomplish the desired result at a reasonable cost consistent with good business practices, reliability, safety and expedition. Good Utility Practice is not intended to be limited to the optimum practice, method, or act to the exclusion of all others, but rather includes all acceptable practices, method, or acts generally accepted in the region

Section 1.2 Compensation. Except to the extent otherwise required by Section 482 of the Internal Revenue Code or analogous state tax law, Recipient shall compensate Transferor for any Assets Transferred hereunder in accordance with the Commonwealth of Kentucky's affiliate transaction pricing requirements, KRS 278.2207. Accordingly, Assets Transferred from the Operating Company to a Nonutility Company shall be priced at the greater of Cost or market, and Assets Transferred from a Nonutility Company to the Operating Company shall be priced at the lesser of Cost or market. "Cost" means (i) for items of inventory accounted for in the FERC Uniform System of Accounts account 154 ("Inventory Items"), the average unit price of such Inventory Items as recorded on the books of the Transferor, plus stores, freight, handling, and other applicable costs, and (ii) for Assets other than Inventory Items, net book value.

Alternatively, the Transferor and Recipient may agree that the Asset Transferred to the Recipient be replaced in kind. In this event, Transferor and Recipient shall agree to the timing of such replacement, and other necessary terms and conditions, and such in-kind replacement shall be deemed a Transferred Asset for all purposes hereunder.

Section 1.3 Payment. Each party shall reasonably cooperate with each other party to record billings and payments required hereunder in their common accounting systems.

Section 1.4 Delivery; Title and Risk of Loss. The parties shall cooperate in providing transportation equipment necessary to deliver the Assets to the Recipient. Assets will be delivered FOB transportation equipment at the Transferor's location where such Assets reside ("Shipping Point"). All costs of transportation, including the cost of transporting in-kind replacement Assets to Transferor, shall be borne by the Recipient. Title to and risk of loss of the transferred Assets shall pass from the Transferor to the Recipient at the Shipping Point.

ARTICLE 2. WARRANTIES

Section 2.1 Warranties. Each party, as Transferor, warrants that it will have good and marketable title to the Assets transferred hereunder. Further, each party, as Transferor, warrants that it shall obtain release of any liens or other encumbrances on the Transferred Assets within a reasonable time. ALL ASSETS TRANSFERRED HEREUNDER ARE BEING SOLD "AS IS, WHERE IS" AND WITHOUT ANY WARRANTY AS TO ITS CONDITION, INCLUDING

WITHOUT ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Section 2.2 Disclaimer. WITH RESPECT TO ANY ASSETS TRANSFERRED HEREUNDER, EACH PARTY AS TRANSFEROR MAKES NO WARRANTY OR REPRESENTATION OTHER THAN AS SET FORTH IN SECTION 2.1, AND THE PARTIES HERETO HEREBY AGREE THAT NO OTHER WARRANTY, WHETHER STATUTORY, EXPRESS OR IMPLIED (INCLUDING BUT NOT LIMITED TO ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE), SHALL BE APPLICABLE TO SUCH ASSETS. THE PARTIES FURTHER AGREE THAT THE REMEDIES STATED HEREIN ARE EXCLUSIVE AND SHALL CONSTITUTE THE SOLE AND EXCLUSIVE REMEDY OF ANY PARTY HERETO FOR A FAILURE BY ANY OTHER PARTY HERETO TO COMPLY WITH ITS WARRANTY OBLIGATIONS.

ARTICLE 3. INDEMNIFICATION

Section 3.1 Indemnification In Respect of Transfers by Operating Company.

(i) In circumstances where Operating Company is the Transferor: (x) subject to subparagraph (ii) of this Section 3.1, Transferor shall release, defend, indemnify and hold harmless each Nonutility Company, including any officer, director, employee or agent thereof, from and against, and shall pay the full amount of, any loss, liability, claim, damage, expense (including costs of investigation and defense and reasonable attorneys' fees), whether or not involving a third-party claim (collectively, "Damages"), incurred or sustained by or against Transferor or any such Nonutility Company arising, directly or indirectly, from or in connection with Transferor's negligence or willful misconduct in the performance of its obligations hereunder, and (y) each Nonutility Company that is a Recipient with respect to such Assets shall release, defend, indemnify and hold harmless Transferor, including any officer, director, employee or agent thereof, from and against, and shall pay the full amount of, any Damages incurred or sustained by or against Transferor or any such Recipient arising, directly or indirectly, from or in connection with Transferor's negligence or willful misconduct in the performance of its obligations hereunder, to the extent such Damages are not covered by Transferor's indemnification obligation as provided in the preceding clause (x) or exceed the liability limits provided in subparagraph (ii) of this Section 3.1.

(ii) Notwithstanding any other provision hereof, in circumstances where Operating Company is a Transferor: (x) Transferor's total liability hereunder with respect to any specific Transfer shall be limited to the amount actually paid to Transferor in respect of such Transfer for which the liability arises, and (y) under no circumstances shall Transferor be liable for consequential, incidental, punitive, exemplary or indirect damages, lost profits or other business interruption damages, by statute, in tort or contract, under any indemnity provision or otherwise (it being the intent of the parties that the indemnification obligations in this Agreement

shall cover only actual damages and accordingly, without limitation of the foregoing, shall be net of any insurance proceeds actually received in respect of any such damages).

Section 3.2 Indemnification In Respect of Transfers by Any Nonutility Company.

(i) In circumstances where a Nonutility Company is a Transferor (*i.e.*, where Operating Company is the Recipient): (x) subject to subparagraph (ii) of this Section 3.2, Transferor shall release, defend, indemnify and hold harmless the Recipient, including any officer, director, employee or agent thereof, from and against, and shall pay the full amount of, any Damages incurred or sustained by or against Recipient arising, directly or indirectly, from or in connection with Transferor's negligence or willful misconduct in the performance of its obligations hereunder.

(ii) Notwithstanding any other provision hereof, in circumstances where a Nonutility Company is a Transferor (*i.e.*, where Operating Company is the Recipient), under no circumstances shall Transferor be liable for consequential, incidental, punitive, exemplary or indirect damages, lost profits or other business interruption damages, by statute, in tort or contract, under any indemnity provision or otherwise (it being the intent of the parties that the indemnification obligations in this Agreement shall cover only actual damages and accordingly, without limitation of the foregoing, shall be net of any insurance proceeds actually received in respect of any such damages).

Section 3.3 Procedure for Indemnification. Within 15 business days after receipt by an Indemnified Party of notice of any claim or the commencement of any action, suit, litigation or other proceeding against it (a "Proceeding") with respect to which it is eligible for indemnification hereunder, the Indemnified Party shall notify the Indemnifying Party thereof in writing (it being understood that failure so to notify the Indemnifying Party shall not relieve the latter of its indemnification obligation, unless the Indemnifying Party establishes that defense thereof has been prejudiced by such failure). Thereafter, the Indemnifying Party shall be entitled to participate in such Proceeding and, at its election upon notice to such Indemnified Party and at its expense, to assume the defense of such Proceeding. Without the prior written consent of such Indemnified Party, Indemnifying Party shall not enter into any settlement of any third-party claim that would lead to liability or create any financial or other obligation on the part of such Indemnified Party for which such Indemnified Party is not entitled to indemnification hereunder. If such Indemnified Party has given timely notice to Indemnifying Party of the commencement of such Proceeding, but Indemnifying Party has not, within 15 business days after receipt of such notice, given notice to Indemnified Party of its election to assume the defense thereof, Indemnifying Party shall be bound by any determination made in such Proceeding or any compromise or settlement made by Indemnified Party. A claim for indemnification for any matter not involving a third-party claim may be asserted by notice from the applicable Indemnified Party to Indemnifying Party.

ARTICLE 4. MISCELLANEOUS

Section 4.1 Amendments. Any amendments to this Agreement shall be in writing executed by each of the parties hereto. To the extent that applicable state law or regulation or

other binding obligation requires that any such amendment be filed with any affected state public utility commission for its review or otherwise, the Operating Company shall comply in all respects with any such requirements, and each Nonutility Party shall reasonably cooperate with the Operating Company in complying with such requirements.

Section 4.2 Effective Date; Term. This Agreement shall become effective on the Effective Date and shall continue in full force and effect until terminated by either party upon not less than 30 days prior written notice to the other party. This Agreement may be terminated and thereafter be of no further force and effect upon the mutual consent of the parties hereto.

Section 4.3 Entire Agreement. This Agreement contains the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes any prior or contemporaneous contracts, agreements, understandings or arrangements, whether written or oral, with respect thereto. Any oral or written statements, representations, promises, negotiations or agreements, whether prior hereto or concurrently herewith, are superseded by and merged into this Agreement.

Section 4.4 Severability. If any provision of this Agreement or any application thereof shall be determined to be invalid or unenforceable, the remainder of this Agreement and any other application thereof shall not be affected thereby.

Section 4.5 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise by any party hereto without the prior written consent of the other party. Any attempted or purported assignment in violation of the preceding sentence shall be null and void and of no effect whatsoever. Subject to the preceding two sentences, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

Section 4.6 Governing Law. This Agreement shall be construed and enforced under and in accordance with the laws of the State of Kentucky, without regard to conflicts of laws principles.

Section 4.7 Captions, etc. The captions and headings used in this Agreement are for convenience of reference only and shall not affect the construction to be accorded any of the provisions hereof. As used in this Agreement, "hereof," "hereunder," "herein," "hereto," and words of like import refer to this Agreement as a whole and not to any particular section or other paragraph or subparagraph thereof.

Section 4.8 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed a duplicate original hereof, but all of which shall be deemed one and the same Agreement.

Section 4.9 Additional Parties. After the effective date of this Agreement, additional Nonutility Companies may become parties to this Agreement by executing appropriate signature pages, whereupon any such additional signatory shall be deemed a "party" hereto all purposes hereof and shall thereupon become bound by the terms and conditions of this Agreement as if an

original party hereto. The addition of any such further signatories, in the absence of any changes to the terms of this Agreement, shall not be deemed an amendment hereto. Notwithstanding the foregoing, no FERC-jurisdictional Nonutility Company may become a party to this Agreement without first obtaining the approval of FERC, to the extent such approval is required for such entity to transact hereunder with Operating Company, and the addition of any such party prior to receiving FERC approval shall be void and of no effect.

Section 4.11 Regulatory Approvals. This Agreement is expressly contingent on the receipt all regulatory approvals or waivers deemed necessary by the parties.

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be executed on its behalf by an appropriate officer thereunto duly authorized.
