The Commission staff has reviewed your application in the above case. This filing is rejected for the reasons set forth below.

1. Filing deficiencies pursuant to 807 KAR 5:120:

807 KAR 5:102 Section 2(5)(a)...A map showing the proposed route.

807 KAR 5:102 Section 2(5)(c)...A statement that interest persons have the right to request to intervene.

807 KAR 5:102 Section 2(6) A copy of the newspaper notice described in Subsection 5 of this section.

A copy of the newspaper notice was included as Application Exhibit 8, but the copy is not legible. Consequently, compliance with this part of regulation can not be determined. Please provide a legible copy of the newspaper notice.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.
