Re: Coolbrook Utilities, LLC Case No. 2010-00314 - Notice of Intent

Dear Sirs:

Attached please find an original and 6 copies of the signed tariff of Coolbrook Utilities, LLC placing into effect the sewer rates proposed in Case No. 2010-00314. Notice of the proposed rates, and a proposed effective date of September 15, 2010 was duly given pursuant to KRS 278.180 in Coolbrook's application filed on August 4, 2010. By Order dated August 25, 2010, the Commission recognized notice had been given and issued an Order suspending the proposed rates for 5 months up to and including February 15, 2011. Because Coolbrook is unaware when the Commission will issue a final decision in this case, Coolbrook is hereby notifying the Commission pursuant to KRS 278.190(2) of its intent to exercise its right to put the rates into effect, subject to refund, for service rendered on and after February 16, 2011.

Sincerely,

A handwritten signature in black ink, appearing to read "Lawrence Smither", with a long horizontal flourish extending to the right.
