PUBLIC SERVICE
COMMISSION

Mr. Jeff Derouen, Executive Director
Public Service Commission
P.O. Box 615
Frankfort, KY 40602

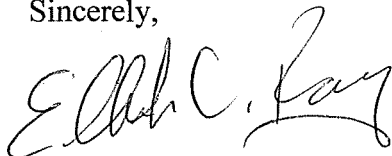

Dear Mr. Derouen,

Delaplain Disposal is in receipt of the Public Service Commission's second information request. The request states that the response is due within 20 days, which is February 7, 2011. Delaplain is currently in the middle of completing the year end close in preparation for filing the tax return and annual report. The administrative/accounting personal are extremely busy with these requirements as well as those of other entities supported out of the same office. Delaplain would like to request an extension of time in responding until March 15, 2011. This would allow the staff to spend adequate time in responding to the questions to provide the appropriate in depth response required.

Delaplain also would like to notify the PSC that after internal management consideration it was determined that the administrative burdens of an early implementation of the proposed rates would be much greater than any benefit that might be obtained. Thus, Delaplain does not intend to put the proposed rates into effect subject to refund, when the rate suspension period ends on or around February 28, 2011.

We appreciate your consideration of our request. If you have any questions or need any additional information in order to reach a decision in responding, please do not hesitate to let us know.

Sincerely,

Elbert C. Ray
President
