RECEIVED

FEB 10 2011

PUBLIC SERVICE  
COMMISSION

Dear Mr. Derouen,

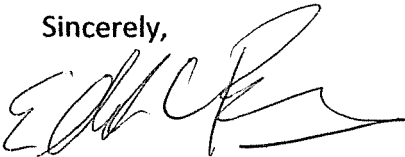

Delaplain Disposal is in receipt of the Public Service Commission's order regarding Delaplain's request for an extension of time in responding. Delaplain appreciates the consideration granted by the Commission in providing the seven additional days, but would like to request an additional two weeks making the due date for filing February 28, 2011.

While it is correct that much of the information requested is available, the staff is focused on activity related to 2010 and activity related to 2009 has already been placed in storage and must be retrieved in order to make copies etc. In addition, there are several questions that require some research into years prior to 2009 in order to appropriately respond.

It was also not mentioned in the prior request that key personnel involved in Delaplain's activities will be out of town and unavailable until February 21, 2011. These personnel will need to add final comments, review and/ or sign off on all materials prepared. Their travel commitments were made in advance of the knowledge that a response would be due to the PSC within the same time frame. The requested additional time extension will allow for the appropriate involvement of all appropriate parties.

We appreciate your consideration of this additional request. If you have any questions or need any additional information in order to reach a decision in responding, please do not hesitate to let us know.

Sincerely,

Elbert C. Ray  
President
