Re: Hillridge Facilities, Inc. 2010 Rate Case Filing

2010-00426

Dear Sirs:

Attached please find an original and 10 copies of Hillridge Facilities, Inc.'s Alternative Rate Filing, including customer notice and mailing verification. Please incorporate by reference in this case our annual reports on file at the PSC, and note that Hillridge filed its articles of incorporation and any amendments in Case No. 89-347 ("The Application Of Hillridge Facilities, Inc. For A Rate Adjustment Pursuant To The Alternative Rate Filing Procedure For Small Utilities").

In this case, Hillridge is requesting PSC approval of both a 34.7% general rate increase and a surcharge of \$11.19 per month for 36 months. The surcharge is necessary to address Inflow and Infiltration issues typical for a facility of Hillridge's age and to avoid sanctions from the Kentucky Division of Water. Because of the urgent nature of this situation, Hillridge respectfully requests expedited PSC approval of the surcharge request.

Hillridge is proposing that the new rates become effective on November 29, 2010, and has provided a proposed tariff to that effect at Exhibit 2 of this filing. In addition, Hillridge has attempted to the best of its ability to fully comply with the Commission's ARF filing requirements. However, please consider this a request for waiver of any filing requirements which Hillridge may have inadvertently overlooked, on the grounds that all relevant information has been provided to allow the processing of this case to begin.

Finally, please note that Hillridge believes reduction of the estimated rate case expenses included within this application is in the best interests of all parties. Therefore, we respectfully request that the Commission Staff perform a field review rather than issuing data requests to process this case.

Sincerely,

A handwritten signature in cursive script that reads "Sonja Ridge".
