Dear Sir or Madam,

I respectfully submit a motion to intervene in the rate increase submitted by Hillridge Facilities, Inc. The 81% increase which includes a surcharge of 34.7% is incredibly insensitive to citizens struggling through these tough economic times. While there may be a need for a rate increase, consideration should be given to the pay raises retirees and the average citizens have, or have not, received in the last two years.

Sincerely,

Bonnie G. Jackson
