

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ALTERNATIVE RATE FILING OF HILLRIDGE) CASE NO.
FACILITIES, INC.) 2010-00426

ORDER

Hillridge Facilities, Inc. ("Hillridge Facilities") has moved for an extension of time in which to respond to Commission Staff's First Request for Information. In support of its application, it states that, in light of its efforts to gather records to prepare its annual financial and statistical report to the Commission, it lacks sufficient personnel to comply and submit the requested information within the specified 14 days. It requests an additional 21 days to assemble the required information.

Based upon our review of Commission Staff's Request, we find the request neither overly burdensome nor in conflict with the utility's efforts to gather information to prepare its annual financial and statistical report. It appears that many of the documents that Commission Staff has requested would also be required by the utility's accountant to prepare the utility's annual financial and statistical report. Furthermore, Hillridge Facilities is not required to submit the report until March 31, 2011.¹

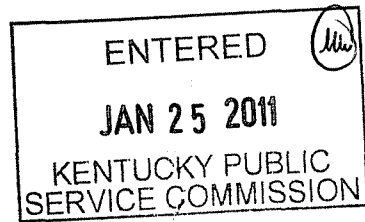

Accordingly, we find that Hillridge Facilities' motion for a 21-day extension should be denied, but that the utility should be permitted seven additional days to assemble the requested documents and information.

¹ See 807 KAR 5:006, Section 3(1).

IT IS THEREFORE ORDERED that:

1. The motion of Hillridge Facilities for an additional 21 days to respond to Commission Staff's Request for Information is denied.
2. Hillridge Facilities is granted an additional seven days in which to respond to Commission Staff's First Request for Information and shall file the required information with the Commission, with a copy to all parties of record, no later than February 1, 2011.
