Re: Alternative Rate Filing of Hillridge Facilities, Inc. – PSC case 2010-00426
Objection to Hillridge's Comments to Memorandum of February 8, 2011
Informal Conference

Dear Mr. Osterloh:

On February 21, 2011, Hillridge Facilities Inc filed comments to the memorandum concerning the February 8, 2011, informal conference held in the above referenced case.

Hillridge's comment number 2 seeks to have a sentence added that would set forth Hillridge's argument that is entirely immaterial to this action. The Louisville and Jefferson County Metropolitan Sewer District objections to the addition. However, if the PSC allows Hillridge's argument, then MSD requests that the following sentence be added: "Mr. Zielke stated that no compensation is required for the value of the facilities in event that MSD begins to provide treatment for a variety of legal reasons which he then listed."

Sincerely,

Janice M. Theriot
