Re: Richard a. Gentner v. Kentucky Utilities Company
Petition for Confidential Protection received 2-14-11
PSC Reference: Case No. 2010-00438

Dear Ms. Sturgeon:

The Public Service Commission has received the Petition for Confidential Protection you filed on February 14, 2011 on behalf of Kentucky Utilities Company ("KU"), to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in supporting documents to KU's Responses to the Commission's 1st Data Request, Item No. 1. The information is more particularly described as attachment containing copies of electric utility bills which contain customer's account number.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would result in an unwarranted invasion of personal privacy to the customer.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a confidential nature, which if publicly disclosed would present an unwarranted invasion of personal privacy to the customer. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.
