Re: Confidential Treatment of Documents – Navitas KY NG, LLC's Acquisition of
Gasco – Case No. 2010-00468

Dear Anita:

Enclosed, pursuant to your request, please find the unredacted versions of the Asset Purchase Agreement; Navitas Assets and Navitas Utility Corporation's federal and state tax returns; and the Independent Auditor's Reports. Please note that none of the Navitas Companies are publicly held, therefore, our request that the financial information be kept confidential. Additionally, the Asset Purchase Agreement and Addendum thereto contain the purchase price and information on the actual gas distribution system (such as location of pipeline) which we believe is a Homeland Security issue.

If you have any questions or need additional information or clarification please do not hesitate to contact Klint Alexander or me.

Sincerely,

Mary Kathryn Kunc
