RE: Case No. 2010-00514 An Examination of the Application of the Fuel Adjustment Clause of Meade County Rural Electric Cooperative Corporation From July 17, 2009 Through October 31, 2010

Dear Mr. Derouen:

After further review of our responses in Case No. 2010-00514, a correction needs to be made to Item numbers 5 and 6.

Also, since Case No. 2010-00514 was filed Meade County has been granted an increase in rates in case number 2010-00222. The increase in rates has not been reflected in this filing. Please advise on the course of action necessary to incorporate the increase in this Fuel Adjustment.

Please find enclosed for filing with the Commission an original and 5 copies of the revised exhibits.

Sincerely,

Burns E. Mercer

President / CEO
