

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST OF KENTUCKY FRONTIER GAS)	CASE NO.
FOR DEVIATION FROM 807 KAR 5:022,)	2011-00017
SECTION 13 (17) (G) (4))	

COMMISSION STAFF'S FIRST INFORMATION
REQUEST TO KENTUCKY FRONTIER GAS, LLC

Pursuant to 807 KAR 5:001, Commission Staff requests Kentucky Frontier Gas, LLC ("Frontier") to file with the Commission the original and six copies of the following information and documentation, with a copy to all parties of record. The information requested herein is due on or before April 15, 2011. Responses to requests for information and production of documents shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Frontier shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Frontier fails or refuses to furnish all or part of the requested information, Frontier shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Provide odorant test records for the last two years for each gas system listed in the application.
2. Provide locations and number of checkpoints for each gas system listed in the application.
3. Provide the name and location of every source/well for each gas system listed along with any test data to document the natural odorant from that source.
4. Explain how Frontier plans to odorize the separate gas systems if natural odorant readings fall below the minimum required by 807 KAR 5:022, Section 13 (17).
5. Provide maps of the gas systems listed in the application, including tie-in connection points of each.
