807 KAR 5:001: Section 3 1. Satisfactorily completed application form.

807 KAR 5:001: Section 3 2. Name of all wholesale suppliers and the base rate and changed rate of each.

807 KAR 5:001: Section 3 5. Total gallons of water purchased from each supplier during a twelve-month period ending within 90 days of the effective date of rate adjustment.

If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502/564-3940.

Sincerely,
