INTRA-AGENCY MEMORANDUM
KENTUCKY PUBLIC SERVICE COMMISSION

TO: Main Case File - Case No. 2011-00042
FROM:  Jeff Shaw, Team Leader
DATE: March 4, 2011
RE: Informal Conference of March 2, 2011

On March 2, 2011, an informal conference ("IC") at the Commission's offices was attended by representatives of AEP Kentucky Transmission Company ("KY Transco"), Kentucky Industrial Utility Customers, Inc. and Commission Staff ("Staff"). The purpose of the IC was to discuss procedural issues in this case. KY Transco representatives also provided a brief overview of the company's February 7, 2011 application. A copy of the attendance list for the IC is attached hereto.

Along with an outline of a potential procedural schedule for the case, including discovery, intervenor testimony and rebuttal testimony by the company, Staff stated that it may want to have another conference addressing more substantive issues related to certain aspects of KY Transco's application.

Staff indicated that a procedural schedule would need to be coordinated with the schedule of a rate case recently filed with the Commission, but it expected a schedule in this case could be issued relatively quickly. That being the understanding of the parties and the Staff, the IC was adjourned.
