RE: Case No 2011-00083  
Filing Deficiencies

The Commission Staff has reviewed Elkhorn Water District's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

(1) 807 KAR 5:076, Section 2 – Application form was not satisfactorily completed. Application did not contain a billing analysis.

The Commission received Elkhorn Water District's letter on March 14, 2011 requesting a deviation from filing the test year billing analysis. However, the request does not provide a reason. In order for the Commission to consider this request, Elkhorn Water District must provide a statement in writing as to the reason that the test year billing analysis cannot be filed.

Please provide the requested information within 15 days of the date of this letter. If you need further assistance, please contact my staff at 502/564-3940.

Sincerely,

A handwritten signature in cursive script that reads "Linda Faulkner".
