CASE NO. 2011-00098

**ALLEGED FAILURE TO COMPLY
WITH KRS 278.042**

**RESPONSE OF LOUISVILLE GAS AND ELECTRIC COMPANY
TO THE COMMISSION'S ORDER OF MARCH 29, 2011
AND MOTION TO SUSPEND HEARING AND
SCHEDULE INFORMAL CONFERENCE**

On March 29, 2011, the Kentucky Public Service Commission ("Commission") issued an Order directing Louisville Gas and Electric Company ("LG&E") to file a written response to the allegations contained in the Electric Utility Personal Injury Incident Report ("Report") prepared by the Commission Staff dated September 9, 2010. For its Response to the Commission's Order, LG&E states as follows:

1) LG&E admits the information contained in the sections of the Report titled "Utility," "Reported By," "Incident Occurred," "Utility Notified," "PSC Notified," "PSC Investigated," "Report Received," and "Incident Location" are accurate.

2) LG&E admits the information contained in the section of the Report titled "Incident Description" is accurate.

3) LG&E admits, based on information and belief, that the information contained in the sections of that Report titled "Victim," "Persons on Site," "Information From" and "Notes" are accurate.

4) With regard to the section of the Report titled "Probable Violations" LG&E denies that it committed any willful violation of KRS 278.042 or the National Electric Safety Code.

5) LG&E admits the information contained in the section of the Report titled "Temp & Weather."

NOW THEREFORE, LG&E requests that this case be dismissed or, in the alternative, that the hearing date set for August 30, 2011 be suspended and that an informal conference be scheduled with the Commission Staff for the purposes of discussing settlement and expediting resolution of this proceeding. LG&E's willingness to discuss settlement is not, and should not be construed as, an admission of liability or fault on its part.
