RE: Verified Application of Louisville Gas and Electric Company for an Order Pursuant to KRS 278.300 and for Approval of Long Term Purchase Contract
Case No. 2011-00099

Verified Application of Kentucky Utilities Company for an Order Pursuant to KRS 278.300 and for Approval of Long Term Purchase Contract
Case No. 2011-00100

Dear Mr. DeRouen:

Please accept for filing in each of the above-referenced proceedings an original and ten copies of four documents (because they are voluminous, each set of four documents is on a CD in PDF format). The first document ("Attachment 1") is the application the Ohio Valley Electric Corporation ("OVEC") filed with the Federal Energy Regulatory Commission ("FERC") on March 23, 2011, seeking approval of the same revised Inter-Company Power Agreement that is at issue in this proceeding. The second document ("Attachment 2") is an April 27, 2011 letter from OVEC's counsel asking to cancel the March 23, 2011 filing due to a FERC file-type error in the original submission, as well as small errors in the submitted ICPA versions (these errors did not impact the substance of the original FERC application). The third document ("Attachment 3") is the April 27, 2011 re-submission of OVEC's application to FERC. The fourth and final document ("Attachment 4") is FERC's order accepting as filed the revised ICPA, which is the final action FERC will take concerning the ICPA.
