Case No. 2011-00104

Dear Mr. Derouen:

We are in receipt of your correspondence concerning closing the docket for the above referenced case. We would like to request another time extension and keep this file open. We have not made recent correspondence for two reasons; our 2010 audit was not complete, but it has just recently been completed however we have not had time to prepare the rate information since its completion. Secondly we attempted to go back to North Manchester Water Association to negotiate an agreeable rate and this took some time. Therefore we request you please keep this file open.

Please feel free to contact me with any questions.

Sincerely,
CITY OF MANCHESTER
