PUBLIC SERVICE
COMMISSION

Dear Mr. Derouen:

Pursuant to the Kentucky PSC's May 20, 2003 order in KY PSC Case No. 2002-0310, AT&T Kentucky is providing notice to the Kentucky Public Service Commission (PSC) of AT&T Kentucky's intent to disconnect American Fiber Network, Inc. ("American Fiber") for non-payment.

AT&T Kentucky's records indicate that American Fiber is delinquent in payment of its bills to AT&T Kentucky. Attempts to collect past due amounts from American Fiber have been unsuccessful. AT&T Kentucky made numerous written notifications to American Fiber informing them of AT&T Kentucky's intent to suspend or terminate services consistent with the terms and conditions of the Interconnection Agreement between American Fiber and AT&T Kentucky. As of today, AT&T Kentucky has received no payment from American Fiber and we seek to begin discontinuance of services immediately.

At the present time, American Fiber no longer has any customers in Kentucky, and therefore, there is no need to invoke AT&T Kentucky's Emergency Services Continuity Tariff.

If there are any questions or the need for additional information concerning this filing, please call me at 502-582-2164.

Very truly yours,

Tony Taylor
