RE: CASE NO: 2011-00217

Dear Mr. Derouen:

A deviation from 807 KAR 5:001, Section 10(6)(b) and (c) which requires Cannonsburg to file testimony of each witness in support of its application is requested. Cannonsburg states that it cannot offer any additional information through testimony that is not already included in its application. Additionally, Cannonsburg will be offering testimony at a hearing for emergency rate relief in support of this application.

Should additional information be required please feel free to contact me.

Sincerely,

Danny Clarkston, Manager
Cannonsburg Water District
