COMMISSION

In the Matter of:

ALLEGED FAILURE OF WOODLAND )  
ACRES UTILITIES, LLC ) Case No. 2011-00349  
TO FILE REQUIRED REPORT )

**SECOND AMENDED MOTION FOR EXTENSION OF TIME TO FILE REPORTS**

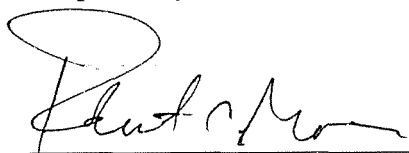

Comes Woodland Acres Utilities, LLC (“Woodland Acres”), by counsel, and for its  
Second Amended Motion for Extension of Time to File Annual Reports, states as follows:

- 1) The Order entered by the Public Service Commission (“Commission”) in the above-styled case on October 11, 2011, required Woodland Acres to file with the Commission, by no later than October 20, 2011, its annual sewer reports and sewer gross operating reports for the 2006, 2007, 2008, 2009 and 2010 calendar years.
- 2) Woodland Acres has only owned the Woodland Acres wastewater treatment plant (“WWTP”) since July 2, 2009, and the Commission approved its Application for Transfer of the Woodland Acres WWTP on September 1, 2010, subject to the requirement to file an Irrevocable Letter of Credit and Notice of Adoption and Journal Entry. These documents were filed with the Commission in the fall of 2011.
- 3) Woodland Acres has begun preparing the Annual Report for the time frame that it has owned the subject WWTP, but has not been able to complete same. It has requested copies of its bank statements for the relevant time period from its bank, but the bank has not yet been able to produce same. These documents are needed in order to complete

the required annual report(s). Accordingly, due to the difficulties experienced in preparing the required reports, Woodland Acres requests an extension of time through and until January 31, 2012 to file the required report(s). However, it should not be required to file reports for the time periods prior to its ownership of the Woodland Acres WWTP.

- 4) The filing of the required reports on or before January 31, 2012, should not cause any prejudice to any parties.

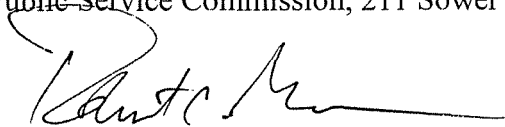

Respectfully submitted,
