RE: Case No. 2011-00443  
Filing Deficiencies

The Commission Staff has reviewed Kentucky Frontier Gas LLC's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

807 KAR 5:001, Section 10(3)(b) and Section 10(4):

Present and proposed rates for each customer class to which change would apply. If copy of public notice included, did it meet requirements? The Turn on Fee, Reconnection Fee, Service (trip) Charge and Special Meter Reading Charge all are listed as \$120.00 in the proposed tariff while the amount in the notice to the customer is \$100.00

807 KAR 5:001, Section 6(4):

Mortgages – Date of Execution  
Notes Outstanding – Date of Issue

KRS 278.300(2):

Every financing application shall be made under oath and shall be signed and filed on behalf of the utility by its president or by a vice president, auditor, comptroller or other executive officer having knowledge of the matters set forth and duly designated by the utility.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
