APPLICATION

Kentucky Frontier Gas, LLC, (Frontier) by counsel, petitions the

Commission for an order approving a consolidation of and adjustment of rates, purchase and installation of Automated Meter Reading equipment (AMR) and issuance of a certificate of convenience and necessity for the purchase and installation of AMR equipment on existing and future meters and surcharge, implementation of a pipeline replacement program (PRP), an adjustment of non-recurring fees and revision of tariffs. Because of the financial impact recent acquisitions have had on Frontier and the need to stabilize its cash position, it requests an expedited review of the application to maximize its ability to recover the proposed increased revenue during the 2012-2013 heating season.
