MOTION FOR EXTENSION OF TIME

Jackson Purchase Energy Corporation ("JPEC") hereby moves for an extension of time to file information requested by the Commission Staff's Second Request for Information to All Electric Distribution Utilities dated March 15, 2012. As grounds therefore, JPEC states that at this time it does not have in its employ a Vice President of Engineering and Operations, the management position which would be responsible for filing the response to this request. JPEC has the individual temporarily filling that position working on the responses, but given the temporary employee's workload, they have been unable to complete them. Therefore, it needs additional time to compile the necessary responses. No party will suffer any prejudice by the granting of such an extension. Accordingly, JPEC respectfully requests that the Commission allow JPEC up to and including April 9, 2012, to file its response.

Respectfully submitted,
