Re: Cunningham Water District 2011 Rate Case Filing

Dear Sirs:

2011-00455

Attached please find an original and 5 copies of Cunningham Water District's Alternative Rate Filing, including a notice to customers and mailing verification. A copy of this application has been mailed to the Kentucky Attorney General on November 16, 2011 as required. In addition, please incorporate by reference in this case Cunningham's annual reports on file with the PSC. Cunningham is proposing that the new rates become effective on December 31, 2011, and has provided a proposed tariff to that effect as the last attachment to this filing. In addition, Cunningham has attempted to the best of its ability to fully comply with the Commission's new ARF filing requirements. However, please consider this a request for waiver of any filing requirements which Cunningham may have inadvertently overlooked, on the grounds that all relevant information has been provided to allow the processing of this case to begin.

Finally, please note that Cunningham believes reduction of the rate case expenses associated with this application is in the best interests of all parties. Therefore, we respectfully request that the Commission Staff perform a field review rather than issuing data requests in order to process this case, and we have also included a supplemental exhibit which contains our 2010 billing records, our 2010 general ledger, and a copy of the rate case consulting contract associated with this filing.

Sincerely,

Dan Bowles, Chairman
Cunningham Water District
