RE: Case No. 2011-00481
Water Rate Adjustment

Mr. Derouen,

We have reviewed the Public Service Commission Staff report dated January 30, 2012. We find no objections to their findings and recommendations and support the rate schedule as submitted on Appendix C of the Commission Staff report. On behalf of the Board of Commissioners of the Southeast Daviess County Water District, these rates may be submitted to the Public Service Commission for its decision.

If you have any questions concerning this, please feel free to discuss those with me.

Sincerely,

Keith Krampe
Office Manager
