***Re: Jackson Purchase Energy Corporation
Case Number 2012-00083***

Dear Mr. Derouen:

After filing a Notice of Intent with the Commission on March 5, 2012 and reviewing the proposed changes of Big Rivers, Jackson Purchase Energy Corporation ("JPEC") has determined that the present tariff allows for the charges requested by Big Rivers to be passed through without change. Therefore, JPEC does not deem it necessary to change its tariff and asks that you please disregard the previously filed Notice of Intent to File.

If you should have any questions or need anything further regarding this matter, please do not hesitate to contact me at the number listed above.

Sincerely,

Melissa D. Yates
