In the Matter of:

TARIFF FILING OF KENTUCKY-AMERICAN)
WATER COMPANY TO ESTABLISH A) CASE NO. 2012-00155
LATE PAYMENT FEE)

**KENTUCKY-AMERICAN WATER COMPANY'S MOTION FOR EXTENSION OF
TIME TO FILE DATA RESPONSES**

Kentucky-American Water Company ("Kentucky American") respectfully requests the Kentucky Public Service Commission ("Commission") to issue an order granting Kentucky American through and until August 3, 2012, to file their responses to the Commission's Data Requests issued on July 12, 2012. In support of this Motion, Kentucky American states as follows:

On July 12, 2012, the Commission issued an order denying Kentucky American's Request for Termination of Case and attached data requests to that order, which are due on July 26, 2012. While the number of requests is not voluminous, additional time is needed for Kentucky American to respond to the requests. The response period in this proceeding overlapped significantly with the response period in Case No. 2012-00096, *In the Matter of: Application of Kentucky-American Water Company for a Certificate of Public Convenience and Necessity Authorizing Construction of the Northern Division Connection*, in which Kentucky American had to respond to over 100 data requests (not including subparts) issued by the Commission and the Attorney General. Also, one of Kentucky American's employees who is critical to preparing the responses has had very limited availability due to preexisting commitments since the requests were issued.

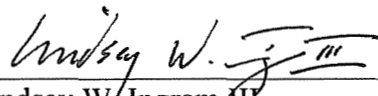

Kentucky American respectfully submits that no party to the proceeding will be prejudiced if the Commission grants an extension, as there are no further procedural events scheduled in this case. The Commission's July 12, 2012 order provided each party with 21 days to request a hearing or the case would otherwise be submitted for decision. Based on that schedule, parties would have one week after receiving the responses in which to request a hearing. In order to ensure that all parties are given the same opportunity if the extension is granted, Kentucky American proposes that parties have until August 10, 2012 to request a hearing.

WHEREFORE, Kentucky American Water Company respectfully requests that it be granted an extension to respond to the Commission's data requests through and until August 3, 2012, and that the parties have through and until August 10, 2012, to request a hearing, or the case will be submitted for decision.

Date: July 24, 2012

Respectfully submitted,
