RE: Informal Conference of July 23, 2012
Case No. 2012-00177
Filing of Jackson Energy Cooperative Corporation to revise its Sample
Meter Testing Plan

Pursuant to a Notice of Informal Conference issued July 5, 2012, an Informal Conference ("IC") in this case was held on July 23, 2012. The purpose of the IC was to discuss issues related to Jackson Energy Cooperative Corporation's ("Jackson Energy") filing to revise its sample meter testing plan. A list of attendees is attached.

The IC began with Staff inquiring about the impetus of Jackson Energy revising its original sample meter testing plan and a discussion was held regarding the necessity of these modifications. Jackson Energy came to the conclusion that the revisions were not warranted and stated it would withdraw its application to revise the sample meter testing plan.

There being no further matters to discuss, the IC was adjourned.
