COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

YMAX COMMUNICATIONS CORP.)	
REVISION TO KENTUCKY TARIFF NO. 2,)	CASE NO. 2012-00257
SWITCHED ACCESS SERVICES)	

VERIZON'S MOTION FOR FULL INTERVENTION

Pursuant to 807 KAR 5:001, Section 3(8), MCI Communications Services, Inc. d/b/a Verizon Business Services, Bell Atlantic Communications, Inc. d/b/a Verizon Long Distance, NYNEX Long Distance Company d/b/a Verizon Enterprise Solutions, TTI National, Inc., Teleconnect Long Distance Service & Systems d/b/a Telecom*USA and Verizon Select Services, Inc. (collectively, "Verizon") submit this motion for intervention in the above-captioned proceeding.

1. Verizon is a long distance carrier (sometimes known as an interexchange carrier or "IXC") and, in that capacity, purchases intrastate switched access services from a number of different Kentucky ILECs and CLECs, and is likely to terminate intrastate toll traffic to dialed numbers assigned to YMAX Communications Corp., the CLEC whose rates have been suspended under the Commission's Order dated June 28, 2012.

2. By letter dated June 20, 2012, Verizon objected to the YMAX tariff filing at issue. Subsequently, the Commission suspended the tariff in response to a complaint that had been filed by AT&T-Kentucky.

3. As an intrastate switched access ratepayer, Verizon has a direct interest in any examination of intrastate switched access rates that will occur in this proceeding. Moreover, as a

result of its experience as a ratepayer and having participated in multiple proceedings before the Commission regarding Kentucky intrastate switched access rates,¹ as well as in the Federal Communication Commission proceeding² pertinent to the tariff being investigated, Verizon is likely to present issues and develop facts that will assist the Commission in fully considering this matter without unduly complicating the proceedings, as it has before.

4. No other entity adequately can represent Verizon's direct interest in this case. Thus, Verizon's interests in this proceeding satisfy the requirements of the Commission's regulation for intervention. *See* 807 KAR 5:001, Section 3(8).

5. The attorney for Verizon authorized to represent it in this proceeding and to take service of all documents is:

Windstream Kentucky West, Inc., et al.* (complaint concerning ILEC access rates); Case No. 2010-00398, *Investigation into Intrastate Switched Access Rates of all Kentucky Incumbent and Competitive Local Exchange Carriers*.
