

Based on the record and being otherwise sufficiently advised, the Commission finds that Meade County RECC's July 13, 2012 letter to Hilltop does not fully address each and every allegation in the Complaint. Therefore, pursuant to 807 KAR 5:001, Section 12, Meade County RECC should file a supplemental response that addresses each allegation contained in the complaint or show that the complaint has been satisfied.

It is HEREBY ORDERED that Meade County RECC shall satisfy the matters complained of or file a written answer to each allegation contained in the complaint within ten days of the date of this Order. Meade County RECC shall also serve Complainant with any and all documents previously filed with the Commission in the course of this proceeding within ten days of the date of this Order.
