Re: Middletown Waste Disposal, Inc. Rate Case No. 2012-00375

Dear Mr. Derouen,

On October 5, 2012, the Commission issued an Order establishing the filed date for Middletown Waste Disposal's above-referenced rate case as October 5, 2012. Pursuant to that Order and 807 KAR 5:076 Section 7(1), Middletown may place its proposed 20% rate increase into effect subject to refund if the Commission has not issued its rate Order within 6 months of the filed date.

Middletown has agreed to a Stipulation in this rate case providing for an approximate 13.67% rate increase, and is currently awaiting a Final Order from the Commission. While Middletown hopes the Commission issues an Order approving the Stipulation and rate increase before April 5, 2013, this letter is to provide written notice that Middletown intends to exercise its right to implement the proposed 20% rate increase effective on and after April 5, 2013 if the Commission has not issued a Final Order by that date. Attached is a signed tariff containing the proposed 20% rate increase.

Sincerely,

Jack Kaninberg
Treasurer, Middletown Waste Disposal, Inc.
