

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF DUKE ENERGY KENTUCKY,)	CASE NO.
INC. FOR APPROVAL TO CONTINUE ITS)	2012-00455
GOGREEN KENTUCKY PROGRAM)	

ORDER

In its application filed October 2, 2012, Duke Energy Kentucky, Inc. ("Duke") requested Commission approval to extend the availability of its GoGreen Kentucky Program ("GoGreen") which currently expires on December 31, 2012. Duke's application requests approval to continue to offer the program on a going forward basis with various changes.

The application proposed that the new rates become effective on November 2, 2012. Based on a review of Duke's application, the Commission finds that an investigation will be necessary to determine the reasonableness of the proposed rates and that such investigation cannot be concluded prior to November 2, 2012. Consequently, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed rates for five months from November 2, 2012, up to and including April 1, 2013.

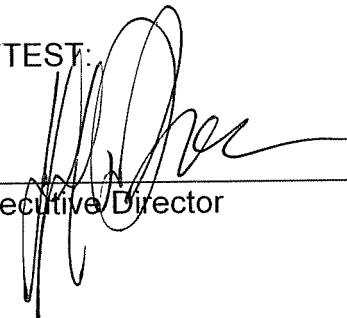

IT IS THEREFORE ORDERED that Duke's proposed tariff is hereby suspended for five months from November 2, 2012, up to and including April 1, 2013.

By the Commission

Commissioner Breathitt is abstaining from this proceeding.
