Re: Nebo Water District

Dear Mr. Beyer:

As per our telephone conversation last week, please note the correction of paragraph 14 contained in the Nebo Water District Application previously submitted. The last sentence in paragraph 14 should read as follows: Nebo Water District has **not** had a material change in its financial condition since the publication of the Financial Statements and Supplementary information for the year ended December 31, 2011.

Sincerely,

Mark Little
