

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT)
FILING OF NORTH SHELBY WATER) CASE NO. 2013-00091
COMPANY)

ORDER

On March 7, 2013, North Shelby Water Company ("North Shelby") applied for approval to adjust its rates pursuant to the purchased water adjustment procedure.¹

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. North Shelby purchases water from Louisville Water Company ("Louisville"), Shelbyville Municipal Water and Sewer Commission ("Shelbyville"), Frankfort Electric and Water Plant Board ("Frankfort"), and West Shelby Water District ("West Shelby").

2. On September 24, 2012, Frankfort adjusted the Kentucky River Authority ("KRA) Fee component of its wholesale water rate to North Shelby from \$0.0965 per 1,000 gallons to \$0.1079 per 1,000 gallons.²

¹ KRS 278.012; 807 KAR 5:068.

² TFS2012-00666 (filed Aug. 24, 2013).

3. Pursuant to the Commission's Order of March 16, 2011 in Case No. 2010-00485,³ Frankfort increased its rate from \$1.91 per 1,000 gallons to \$2.01 per 1,000 gallons on April 1, 2013.

4. North Shelby proposes a purchased water adjustment factor of \$0.05 per 1,000 gallons.

5. During the 12 months ending January 31, 2013, North Shelby purchased 263,146,000 gallons of water from Louisville; 2,994,682 gallons of water from Shelbyville; 157,155,000 gallons of water from Frankfort; no water from West Shelby; and sold 368,437,400 gallons. As a result of the increase in Frankfort's wholesale rate, North Shelby's cost of purchased water will increase \$17,507.07, resulting in a purchased water adjustment factor of \$0.05 per 1,000 gallons.

6. The purchased water adjustment factor of \$0.05 per 1,000 gallons, as calculated in Appendix A of this Order, is fair, just, and reasonable and should be approved.

7. The rates set forth in Appendix B are fair, just, and reasonable and should be assessed for water service that North Shelby renders on and after April 1, 2012.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment factor of \$0.05 per 1,000 gallons is approved.

2. North Shelby's proposed rates, as set forth in Appendix B, are approved for service rendered on and after April 1, 2013.

³ Case No. 2010-00485, Proposed Adjustment of the Wholesale Water Service Rates of the Frankfort Electric and Water Plant Board, (Ky. PSC Mar. 16, 2011).

3. North Shelby's proposed tariff sheet filed with the application is approved.

By the Commission

ATTEST:

Executive Director
