ORDER

On March 24, 2014, Purchase Public Service Corporation (“PPSC”) and Paducah-McCracken County Joint Sewer Agency (“JSA”) filed a joint motion requesting an extension of time, from March 31, 2014, until May 31, 2014, to complete the transfer of control of the Blandville West Subdivision sewage treatment and collection system facilities from PPSC to JSA. By Order entered December 23, 2013, the Commission approved the proposed transfer, but expressly provided in ordering paragraph 3 that the approval shall be deemed void and without legal effect if the transfer had not been executed and implemented by March 31, 2014. The motion states that due to the harsh winter conditions, JSA has not yet been able to extend its sewer lines to connect to the Blandville West Subdivision sewerage facilities, but the connection is expected to be made by May 31, 2014.

Based on the motion and being otherwise sufficiently advised, the Commission finds good cause to grant the requested extension of time. The Commission further finds that its December 23, 2013 Order should be amended to allow additional time

beyond that requested in the pending motion in the event that the JSA encounters unexpected difficulties in extending its sewer lines to connect to the Blandville West Subdivision sewerage facilities by May 31, 2014.

IT IS THEREFORE ORDERED that:

1. The December 23, 2013 Order is amended to the limited extent that the date of March 31, 2014, in ordering paragraph 3 is changed to July 31, 2014.
2. In the event that JSA has not been able to extend its sewer lines to connect to the Blandville West Subdivision sewerage facilities by May 31, 2014, the parties shall file by May 31, 2014, a joint report setting forth the status of their efforts to make the connection and provide the date by which the connection is expected to be completed.
3. All other provisions of the Commission's December 23, 2014 Order shall remain in full force and effect.

By the Commission
