PUBLIC SERVICE  
COMMISSION

**SUBJECT: Notice of Intent to File General Rate Case Application - Revised**

Dear Director Derouen,

In accordance with KRS 278.180 we are hereby notifying the Commission that Hardin County Water District No. 1 intends to file a general rate case / request for rate adjustment application, for our Radcliff sanitary sewer utility (re; PSC Case 2008-00074) in no less than 30 days from the date of this notice.

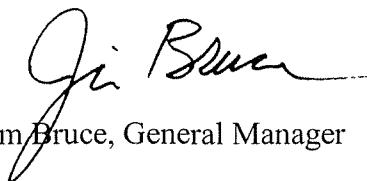

We had previously filed an earlier notice with the Commission for the same application on February 6, 2013, while at the PSC offices for a staff conference. Due to additional review by our Board, we were not able to complete and file the application by the April 6, 2013 deadline. Since that deadline has lapsed, we understand that this revised and updated Notice of Intent is required.

The actual filing date of our application is unknown, but we anticipate it will be prior to the June 25 deadline. If you have any questions about this notice, or the upcoming application, please do not hesitate to notify me, or our legal counsel who will be filing the application and representing us during the case;
