NOTICE OF INTENT TO IMPLEMENT RATE INCREASE

Comes Jackson Purchase Energy Corporation (“JPEC”), by and through counsel and states as follows:

Whereas, on April 18, 2013, JPEC filed an Application, pursuant to KRS 278.455(2), with this Commission for approval of rates to flow-through an increase requested by its wholesale supplier, Big Rivers Electric Corporation, in Case Number 2012-00535. This Commission, by Order dated February 1, 2013, suspended Big Rivers’ proposed rates from taking effect until August 17, 2013.

KRS 278.455(2) provides that the rates of a distribution cooperative shall become effective on the same date as those of its wholesale supplier. By Order dated May 3, 2013, the Commission stated, “Jackson Purchase’s proposed rates are suspended up to and including August 17, 2013 in order to match the suspension period of Big Rivers’ proposed rate increase.”

Big Rivers provided the Commission with notice, pursuant to KRS 278.190 (2), that it intends to implement its requested rates, subject to refund, effective August 20, 2013. As such, JPEC hereby notifies the Commission that it will also place those rates into effect for bills rendered on and after August 20, 2013, subject to refund, pending the issuance of a final order by the Commission in Case Number 2012- 00535.

Respectfully submitted,
