RE: Case No. 2013-00095
Filing Deficiencies

The Commission Staff has reviewed Adair County Water District's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

807 KAR 5:001, Section 15(2)(c):

A full description of the proposed location, route, or routes of the new construction or extension, including a description of the manner in which same will be constructed and also the names of all public utilities, corporations, or persons with whom the proposed new construction or extension is likely to compete.

807 KAR 5:001, Section 15(2)(d):

Two copies, one electronic and one in paper format, of maps to suitable scale showing the location or route of the proposed new construction or extension, as well as the location to scale of like facilities owned by others located anywhere within the map area with adequate identification as to the ownership of the other facilities.

KRS 322.340:

Engineering plans, specifications, plats and report of the proposed construction. The engineering documents prepared by a registered engineer, must be signed, sealed, and dated by an engineer registered in Kentucky.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
