Re: Case No. 2013-00199 Corrections to Ben Taylor and Sierra Club's Responses and Objections to Big Rivers Electric Corporation and Responses to Commission Staff Request for Information

Dear Mr. Derouen,

This letter is to follow up with our November 22, 2013 filing providing the Commission with Ben Taylor and Sierra Club's Responses and Objections to Big Rivers Electric Corporation and Responses to Commission Staff Requests for Information. Commission Staff has brought to our attention that we inadvertently did not sufficiently comply with 807 KAR 5:001, Section 13 as we did not make reference in our filing the date the confidential material was previously filed and the party that originally filed the material. The specific confidential information contains certain items of information for which the petitioner, Big Rivers Electric Corp., has sought confidential protection in separate petitions dated June 28, 2013, July 12, 2013, September 3, 2013, September 30, 2013, October 22, 2013, and November 12, 2013.

Sincerely,

---
