APPLICATION

Comes now Duke Energy Kentucky, Inc. ("Duke Kentucky"), by counsel, pursuant to KRS 278.020(4); 807 KAR 5:001, Section 15(1); 807 KAR 5:001, Section 14 and other applicable law, and tenders hereby its application for a certificate of public convenience and necessity to apply for and obtain a franchise from the city of Erlanger, in Kenton County, Kentucky ("Erlanger"), to provide electricity and natural gas transmission and distribution service, respectfully stating as follows:

1. Duke Kentucky is a combined electric and natural gas utility serving approximately 240,000 customers in six Kentucky counties. Duke Kentucky's business address is 139 East Fourth Street, Cincinnati, Ohio 45202 and its local address is Duke Energy Envision Center, 4580 Olympic Boulevard, Erlanger, Kentucky, 41018. Duke Kentucky's articles of incorporation were filed with the Commission in Case No. 2009-00202 and are incorporated by reference pursuant to 807 KAR 5:001, Section 14(2)(a).

2. Duke Kentucky is the successor to Union Light, Heat and Power, which held a franchise for the use of the City streets, alleys and public grounds to provide

electricity and natural gas transmission and distribution facilities and services within the territorial limits of Erlanger. However, that franchise has expired.

3. Duke Kentucky proposes to bid upon a new municipal franchise to place electric and natural gas transmission and distribution facilities in public streets, alleys and public grounds of Erlanger and to provide related service to Erlanger. The new franchise will be awarded by the Erlanger City Council.

4. The Erlanger City Council has passed an Ordinance setting forth the requirements and deadlines for submitting a bid to secure a new franchise. Erlanger has directed that bids shall be received on or before 4:00 p.m. local time, on Tuesday, June 25, 2013. A copy of the Ordinance is attached hereto as Exhibit A and incorporated herein by reference. A copy of the Legal Notice that was published in the Kentucky Enquirer by Erlanger regarding said new franchise is attached hereto as Exhibit B and incorporated herein by reference.

5. As evidenced by the Ordinance, there is, and will continue to be, a demand and need for the facilities and services sought to be rendered by Duke Kentucky pursuant to the franchise.

6. Upon obtaining a franchise from Erlanger, Duke Kentucky will file a true and correct copy of same with the Commission.

WHEREFORE, on the basis of the foregoing, Duke Kentucky respectfully requests the Commission to approve this application and to issue to Duke Kentucky a certificate of public convenience and necessity authorizing it to apply for and obtain a franchise from Erlanger, as set forth herein.

This the 3rd day of June, 2013.

Respectfully Submitted,

3.9.4 Right of Way Maintenance

The Franchisee shall have the right, without payment of fees, to cut, trim or remove any trees, overhanging branches or other obstructions on public property which in the reasonable opinion of the Franchisee may endanger or interfere with the efficient installation or maintenance of facilities. If, during the franchise period, the City closes to public use any public property in or on which facilities of the Franchisee are located, the City shall make such provisions as may be legal and necessary to grant the Franchisee the right to retain the facilities thereof within that public property, along with the rights to maintain and operate such facilities

3.9.5 Other Activities

All other activities that are reasonably necessary for the use by the Franchisee of the public property within the franchise area pursuant to the provisions of the franchise hereby established.

3.10.3 Provision of Electricity and Natural Gas

Provide either or both electricity and natural gas to the consumers thereof within the City that is no less in character, quantity and geographical area than that provided at the time a franchise established hereby is granted and awarded to the Franchisee; and also equal to and no less in character and quantity than that provided to consumers thereof outside of the City and according to the same terms, conditions, rates, charges and costs as approved by the Kentucky Public Service Commission ("Commission")

3.10.4 Maintenance of Facilities

Cause the facilities of the Franchisee within the franchise area to be maintained and repaired to a condition that is functional and safe and not a hazard to the public health, safety, welfare and convenience.

The franchise fee required hereby is not in substitution or in lieu of any other tax, fee, imposition or charge for which the Franchisee would otherwise be responsible and liable. The franchise fee required hereby is in consideration of the use of the public streets, alleys and other public grounds within the City by the Franchisee pursuant to the provisions of the franchise hereby established, since such use is a valuable right in property, the acquisition and maintenance of which is very expensive to the City; and, without such use, the Franchisee would be required to acquire easements in private property for the transmission and distribution of either or both electricity and natural gas, at considerable expense to the Franchisee.

3.11 Franchisee Obligations After Effective Period

The Release obligation of the Franchisee provided in the previous Section 3.10.9 and the Indemnification obligation of the Franchisee provided in the previous Section 3.10.10 shall continue after the effective period of the franchise hereby established in regard to all of such claims that accrue during the effective period.
